AUTUMN TERM 2026
Whitfield Valley Primary Academy

AUTUMN TERM CLUBS 2026

All clubs start w/c Monday 14th September 2026
and finish Friday 4th December 2026.

This booklet outlines all the clubs available this term.
Clubs will go live on Friday 4th September at 6:30pm.

Please use the hive link below to book your child's club. All children Nursery to Year 6 can only have 1 after school club. More than 1 club booked will be cancelled.
Whitfield.hivelink.co.uk

If your child is not attending a club please let the office know – all children will be sent to their club unless a message is received especially if they walk home alone.

Failure to attend three club sessions may mean your child's place is offered to someone on the waiting list!

Aims of Enrichment After School Clubs

To enhance the personal development and wellbeing of all pupils, by:

- Wider opportunities and experiences provided for all pupils.
- Develop skills for a successful life as a citizen in the community.
- Promote wider development, character, well-being and to support children to achieve and thrive, in school and beyond.
- Contribute to children's personal development and their SMSC development.
- Supporting pupils to become responsible, respectful and active citizens who can play their part in public life as young people.
- Further developing children's awareness of: democracy, the rule of law, individual liberty, mutual respect and tolerance of others.
- Inclusive opportunities and an understanding of protected characteristics, as defined in the Equality Act 2010.
- Developing children's individual characters, so that they reflect wisely, learn eagerly, behave with integrity and cooperate consistently well with others.
- Developing children's confidence, resilience and knowledge so that they can keep themselves mentally healthy.
- Provide enrichment activities to allow children to be physically healthy, understand what it means to eat healthily and maintain an active lifestyle.
- To develop healthy relationships, with others and how to keep themselves safe. Including online.

How the aim will be achieved:

To provide a range of Enrichment activities that offer:

- Sports & Physical Activity eg football, gymnastics
- Creative & Performing Arts e.g. art, carft, drama, music
- STEM & Academic Enrichment e.g. Academic Clubs
- Life Skills & Personal Development e.g cookery/ gardening
- Games & Recreation e.g. board games, puzzle/ logic games

Who: Years 1-6

with Miss Simpson and Mrs Emery

STEM & Academic Enrichment

STOKE children's UNIVERSITY

What's it all about??

The Children's University is an International critically-acclaimed charity which encourages all children aged 5 to 14 years to try new experiences, develop new interests and acquire new skills through participation in innovative and creative Learning Activities outside of the school day.

Learning Activities are designed to:

- Raise aspirations, self-esteem & confidence
- Encourage curiosity and a love of learning
- Enhance motivation and build resilience
- Introduce new life experiences
- Offer progression in learning and personal skills development

In Year 1 children are issued with a 'passport to learning' which will be a record of the amount of hours spent in after school clubs. It is the learning hours (credits) achieved that lead to the award of a Children's University Certificate. *(Being a member of the children's University costs us £5 each, so the passports are kept in school to avoid you having to pay for a replacement)*

At Inspirational Learning Academies Trust children are awarded 10 credits each term for each after-school club they attend. They can also gain credits for educational visits, being on a class council e.g.: school council, visits to museum events, and activities they take part in out of school like swimming lessons, a football team or dance lessons (please let me know the details for these activities)

Children will receive certificates at our award assemblies each term. The certificate they achieve depend on the number of credits they have.

Certificates start at

Bronze Certificate – 30 credits

Silver Certificate - 65 credits

Gold Certificate – 100 credits

And continue onto Awards, Degrees & Diplomas

Hours earned from attending After-school clubs and other activities

Level of Certificate	Bronze	Silver	Gold
Awards	30	65	100
Certificates	130	165	200
Diplomas	230	265	300
Degrees	330	365	400
Postgraduate Awards	430	465	500
Postgraduate Certificates	530	565	600
Postgraduate Diplomas	630	665	700
Postgraduate Masters Degree	730	765	800
