

Inspirational Learning Academies Trust

Enrichment After School Activities

SPRING 2026
Whitfield Valley Primary Academy

SPRING TERM 2026

Clubs start w/c Monday 12th January 2026
and will finish Friday 20th March 2026

This booklet outlines all the clubs available this term.

Please log on/register an account with hivelink via (<https://whitfield-valley.hivelink.co.uk>)
to allow you to make any club bookings.

You can only choose 1 club per child on the new system.

Places are only guaranteed once you receive a confirmation email.

If your child is not attending a club please let the office know – all children will be sent to their club
unless a message is received especially if they walk home alone.

If your child no longer wishes to attend a club please speak to the main school office staff.

Failure to attend three club sessions may mean your child's place is offered to someone

Creative Curriculum

Creative activities will help children to develop the following values:

To explore, investigate and experiment with a range of stimuli, techniques, approaches, materials and media

To create, design, devise their individual and collective work

To present and display work, to develop and communicate ideas and evoke responses

Use art-specific vocabulary to respond to, evaluate, explain, analyse, question their own and other peoples artistic works

To enable children to develop a wide range of skills through a variety of creative activities

To extend imagination through both knowledge and practical skills

To enable children opportunities to develop physical, intellectual, emotional and social skills through the exploration of various and/or specific mediums

Promote the development of technical knowledge and skills

To raise self-esteem and develop confidence

To develop more able and talented children

Sport & Fitness

Sport & Fitness clubs will help children to develop the following values:

To enable children to develop a wide range of basic and ongoing knowledge and skills through a variety of sports and fitness activities.

To build confidence, self-expression & collaborative learning through the experience of team work

To build self-confidence and social skills through the development of associated physical skills and to play/work together co-operatively through group work

To enable pupils the opportunity to experience and share roles and responsibilities

To support self-esteem and help children to recognise their self-worth

Recognise physical and human resources during sporting activities

To provide opportunities for children to promote and represent the school to a wider audience

Curriculum Clubs

Curriculum Clubs will help children to develop the following values:

To enable children to develop a wide range of skills through a variety of intellectual and challenging activities

To build self-confidence through the development and achievement of completing challenging, but fun tasks

To develop more able and talented children

To support self-esteem and help children to recognise their self-worth

To enhance the pupils mathematical learning in a fun and engaging way

Teamwork is promoted through their choice to collaborate with other children

To develop skills on how to use a computer

To foster an interest and love of books, stories and writing

Performing Arts Clubs

Performing Arts Clubs will help children to develop the following values:

To be confident when performing songs, dances & drama

To persevere when tasks are challenging

To have fun learning something new!

To develop hand-eye co-ordination, core strength and balance

To work as part of a team

To share ideas and feel confident when doing so

Mad Scientists is an exciting science club for students. Students explore experiments and hands-on science activities. The club encourages curiosity and creative thinking. Students learn scientific ideas in a fun way. Mad Scientists builds problem-solving skills and a love of discovery.

CURRICULUM CLUB

What's it all about??

The Children's University is an International critically-acclaimed charity which encourages all children aged 5 to 14 years to try new experiences, develop new interests and acquire new skills through participation in innovative and creative Learning Activities outside of the school day.

Learning Activities are designed to:

- Raise aspirations, self-esteem & confidence
- Encourage curiosity and a love of learning
- Enhance motivation and build resilience
- Introduce new life experiences
- Offer progression in learning and personal skills development

In Year 1 children are issued with a 'passport to learning' which will be a record of the amount of hours spent in after school clubs. It is the learning hours (credits) achieved that lead to the award of a Children's University Certificate. *(Being a member of the children's University costs us £5 each, so the passports are kept in school to avoid you having to pay for a replacement)*

At Inspirational Learning Academies Trust children are awarded credits each term for each after-school club they attend. They can also gain credits for educational visits, being on a class council e.g.: school council, visits to museum events, and activities they take part in out of school like swimming lessons, a football team or dance lessons (please let me know the details for these activities)

Children will receive a certificate each year dependent upon the number of credits they have, and if they have achieved the next award. Certificates start at

Bronze Certificate - 30 credits

Silver Certificate - 65 credits

Gold Certificate - 100 credits

And continue onto Awards, Degrees & Diplomas

Hours earned from attending After-school clubs and other activities

<u>Level of Certificate</u>	<u>Bronze</u>	<u>Silver</u>	<u>Gold</u>
Awards	30	65	100
Certificates	130	165	200
Diplomas	230	265	300
Degrees	330	365	400
Postgraduate Awards	430	465	500
Postgraduate Certificates	530	565	600
Postgraduate Diplomas	630	665	700
Postgraduate Masters Degree	730	765	800
